

*The Hands of Hope Case Management Program is very successful in helping our guests return to being productive members of our community. Volunteers meet weekly one-on-one with individuals who are committed to developing the life skills necessary to become self-sufficient.*

#### MISSION STATEMENT

*Hands of Hope works to enhance the quality of life in the Yuba Sutter area by:*

- *Providing core support services to the homeless*
- *Reintegrating the homeless within our community*
- *Engaging the community to respond to the challenge of homelessness*

#### OUR VISION

*Providing hope to homeless families*

Dear Potential Sponsor,

#### **We need your help!**

Please join us in improving the quality of life in our community. **Hands of Hope needs your support** to address the challenges with the ever growing homeless population in our community. Serving the homeless since 2009 Hands of Hope has provided critical day support services to hundreds of homeless children and families. In order to raise funds to support this valuable service, we are asking you to sponsor our **Eleventh Annual Turkey Trot**. This year's event, a 5 K Run/Walk-10 K Run will be held on **Saturday November 17, 2018** and will take place at **Riverbend Elementary School in Yuba City**.

As you look at your charitable contributions for the year, we hope you will consider being a sponsor for our event. Enclosed is a list of sponsorship levels. In addition to being mentioned in event advertising, each sponsor will receive acknowledgment at the event, a T-shirt(s) along with our immense gratitude.

Sponsor checks may be mailed to Hands of Hope, P.O. Box 88, Yuba City CA 95992, or contact us for a personal pick up. Sponsorships need to be received no later than October 11, 2018 to be included on the event T-shirts.

With Sincere Thanks,

Rick Millhollin  
Executive Director/Service Center Manager

*PS. Last year, Hands of Hope provided services for 265 children, 667 adults, over 400 of those adult clients were new. 41 cases (families and/or single adults) found housing. Our clients had a place to shower (3139 times), do laundry (4249 loads), receive items from our clothes closet, search for work and receive referrals through our newly implemented Coordinated Entry Program we started in September! This new program has sparked collaboration and involvement from many different agencies from city, county, and other local non-profits that provide their services right in our centers to assist our clients in becoming productive members of our community once again!*
